Bobcats Launch Ticket Drive To Buy Equipment

This Saturday, August 5, the Albany Bobcat Financial Boost will launch their first annual ticket drive. All proceeds go towards the Bobcat Athletic Club's uniform and equipment fund.

The Bobcat Athletic Club membership will grow from door to door selling their Booster tickets for a dollar donation.

The club is sponsored by the Albany Recreation Department, was organized to further an all-around sports program for boys from 13 to 15 years of age.

The boys are taught to be champions not only in athletic prowess, but in sportsmanship attitude as well. The ticket drive is planned to continue for next several weeks.

Of C. To Aid 'Bottle Cap' and Raising

Tom Gabriele, Albany Chamber of Commerce President, announced that the Chamber will participate in the non-profit fund raising project currently being sponsored by the Pepsi Cola Bottling Company. All proceeds will be turned to the Albany YMCA.

The Pepsi Cola Bottling Company has released, through its sales in the Bay Area, special-printed bottle caps carrying the "White Star". Each cap has a turn-in value of one-half cent. Special containers will be provided for these caps, and they will be turned in at the Chamber of Commerce office or the Albany YMCA.

This project will continue through September, and the Chamber of Commerce asks the cooperation of everyone in turning in these caps for redemption in the fund raising project of the Albany YMCA.

Eagles Auxiliary Meet Tuesday

The Bayview Eagles Auxiliary will hold its regular meeting Tuesday, August 8, at the club, 3223 Carlson Boulevard, ending at 8:15 p.m. Annie Donahue will be refreshment chairperson for August.

This Is Albany

The ALBANY HIGH-TWELVE CLUB, after being dark in July, will resume its weekly noon luncheons on Friday, August 4, at the Red Barn. The speaker will be Stanton W. Thies, Deputy Information Director, San Francisco Bay Area Rapid Transit District. As part of his 20-minute presentation, Mr. Thies will show the 15-minute rapid transit film strip, "1970 Is Tomorrow." Mayor Joe Carlevaro of Albany will present the speaker. President George Irwin will preside. Members of the Masonic Fraternity are welcome to attend the luncheons.

ANN KLEIN, daughter of Mrs. M. G. Klein, 746 Gateview Avenue, Albany, has been accepted by the Board of Admissions of Armstrong College in Berkeley to enter in September.

She plans to major in Secretarial Administration and work for her Associate in Arts degree.

Chamber Chatter

By IRENE GROVE

There is a new face in the Chamber of Commerce office and a new voice that answers the phone when the manager is out. We want you to meet Janet Hackett, the new secretary. Janet is the daughter of Mr. and Mrs. C. A. Hackett of 926 Curtis Street. Janet will be a senior at Albany High this September.

We are sorry to say good-bye to Judi, who did such a wonderful job as secretary for the past seven months. Judi's name is now Mrs. Al Carabello, and she is busy being a "home executive" for her new husband in Oakland.

Your Chamber of Commerce Manager wants to become better acquainted with the Albany businesses. She will be calling on you soon. We want to know your ideas and suggestions, so your Chamber can more truly operate as the voice of the community, not only to express the business point of view or local issues, but to continue the growth and development of the community.

We want to know you as individuals and what you are doing, of improvements you have made, and the special services that you offer for Albany people.

Howard Motor Sales has reopened its outlet at 730 San Pablo. This is in addition to the main location at 975 San Pablo, and French Imports at 969 San Pablo.

The Albany Cabinet Shop at 977 San Pablo Avenue, is under new management. Mr. E. Martin, formerly of El Cerrito, is the new owner. He offers quality-built kitchen and bathroom cabinets at reasonable prices. An added feature is pre-cut materials, all ready to go for all your home craftsmen and your do-it-yourself projects. Stop in to see him. Welcome to Albany and all success in our city, Mr. Martin.

The Albany area can now boast of top facilities for guests at the Villa Motel. Special congratulations to Mr. Les Wigginton, owner, and managers, Mr. and Mrs. O. A. Burnett on all the wonderful new improvements.

Units have been redecorated, have new carpeting, and now have two new specials — room phones and free T.V. There are some kitchenette units (reservations only).

There are also two unique fea-

tures — the coffee lounge and laundromat service — all for the convenience of their guests.

If you need maps, informational brochures, or any other service of the Chamber of Commerce, give us a call at LA 5-1771. Your Chamber of Commerce is your service organization.

Note: When you have a cold drink of Pepsi Cola, check the bottle cap. If it carries a "White Star", bring it to the Chamber office. It means money for that most worthy Albany youth organization — the Albany YMCA.

Chamber Plans Series of Articles On Albany Firms

This is the beginning of a series of articles concerning Albany business firms. This series was planned for several months ago but had to be postponed until this time. The articles will appear in the order that the information is received in the Chamber office.

The Lexicon Store at 619 San Pablo, one of Albany's most attractive stores, carries an exclusive line of maple furniture and accessories for your home, as well as General Electric appliances. It is operated by owners, Tom and Edyth Gabriele, and their nephew, George Gabriele.

They first opened for business August 31, 1946. Tom was born in Brooklyn, New York, and was in the food business for fifteen years before coming to California. He selected the location in Albany because it was on a main road with plenty of traffic.

Tom is a well-known civic leader, is President of the Albany Chamber of Commerce, past president of the Macabees, and a member of the Albany Rotary Club. His hobby, which is a coin and stamp collection, has made him a popular and authoritative speaker on this topic for civic groups. Edyth is an interior decorator of note in the area.

Tom and Edyth now live at 5424 Masonic Avenue in Oakland. Their family consists of a daughter, Geraldine, at home, a married daughter, Edyth, and a granddaughter.

Lighting Display To Be Installed at Castro-San Pablo

In a preview showing of possible improvement in the lighting of Albany's business area a sample of the very latest in luminaires will be installed at the corner of Castro and San Pablo Avenues, Thursday, August 3.

This luminaire will be installed by the P.G.&E. with materials furnished by Line Material Industries, at no cost to the city of Albany. It demonstrates the first luminaire which complies with the latest research findings of the National Illuminating Society. It will be installed on the existing trolley poles to show how readily and economically this could be done by the city of Albany.

Forty-two of these luminaires will be installed in Sacramento on their Capitol Mall by the middle of September this year. Two blocks are planned to be finished by State Fair time.

The problem of new and improved lighting for San Pablo and Solano Avenues has been under consideration and study by the Albany City Council and Chamber of Commerce for some time. An expression of appreciation goes to the Line Materials Industries and P.G.&E. for this opportunity for the citizens of Albany to view a possible solution to this problem.

Tri-City League Playoffs Will Begin Tomorrow

Both the Redlegs and the Wildcats, sponsored by the Bobcat Athletic Club, will take part in the Tri-City League playoffs beginning tomorrow, August 3. The Wildcats qualified by defeating the Redlegs 3-0 to take first place in the second round. Previously, the Redlegs made the play-offs by winning the first round of play.

In tomorrow's action Albany's Wildcats will face St. Patrick's of El Cerrito at Cougar Field, game time 6 p.m. Friday's play-off game will match the Redlegs against the Kensington Rockets at El Cerrito's Vista Park, once again game time will be 6 p.m. The two winners will meet in a two out of three game series for the Tri-City League crown beginning next Tuesday at Cougar Field, moving to Vista Park Wednesday, and then back to Cougar Field Thursday if a third game is necessary. All games will start at 6 p.m.

Dahlia Show at Lakeside Park Saturday, Aug. 6

First major impact of this year's dahlia season will be felt Sunday, August 6, as the Oakland Park Department welcomes flower lovers to the ninth annual Dahlia Sunday display in Lakeside Park.

Three thousand plants, representing 320 varieties of all types and sizes, will fill the park's famed trial and show garden — original Pacific Coast testing grounds for the American Dahlia Society — like a giant basket of brilliant hues. And family groups will join dahlia experts from many parts of Northern California in enjoying the yearly spectacle, which initiates an exhibition season of four months in the garden.

On hand to answer questions from opening time at 10 a.m. to closing at 6 p.m., will be Stanley O'Connell, the Park Department's dahlia expert, and members of the East Bay Dahlia Society. Girl Scouts and Camp Fire Girls from the Oakland area will serve as guides.

The garden will also be open to the public on week days from 8 to 5:30 and on Saturdays from 9:30 to 5:30 throughout the season. It is announced by Head Nurseryman Bob Ammerman.

Cecil P. Wentz Honored by B. of A. For Long Service

Celebrating completion of his 35th year with Bank of America this week is Cecil P. Wentz, 1407 Edith Street, Berkeley, lending officer at the Solano Avenue branch in Albany.

Wentz has served as an officer of the branch for the past 15 years.

A graduate of Berkeley High School, he began his career as a messenger at the head office in San Francisco in 1926. He was assigned to various San Francisco offices until moving to the Solano Avenue branch in 1946.

Wentz is a past president of the Albany Merchants Association, Albany Chamber of Commerce, and a former business chairman of the East Bay United Fund.

Lakoya Council Holds Formal Raising of Chiefs

Lakoya Council No. 218 recently held a formal installation ceremony and "Raising of Chiefs" at the Eagles Hall on Carlson Boulevard. Installing Chief was Deputy Great Chief Pocahontas Barbara Webb of Matoaka Council of San Francisco.

Elected officers were Mary Looch as Pocahontas; Pat Dailey, Winonah; Norma Coker, Prophetess; Gordon Coles, Powatan; Delpha Stockholm, Keeper of Records; Mildred Schmidt, Collector of Wampum; Zola Alcorn, Keeper of Wampum, and Trustee Helen Oldenburg.

Methodist Church Vacation School To Open Monday

Beginning Monday afternoon, August 7, the annual two-week session of Vacation Church School will be held at the Albany Community Methodist Church, Marin and Stannage. The school is open to the general public for children between 4 and 14. Classes are Monday through Friday, from 1 p.m. to 3:30 p.m.

The theme this year is on "Personal and Group Relationships." Mrs. Lee Keck, Mrs. Wendell Jinnott and Miss Barbara Scott are working with the Kindergarten Class. Mrs. Ronald Macfarlane and Mrs. Carl Scott are working with the Primary Class. Mrs. Claude Friesen is teaching the Junior Class and Mr. Larry Dean the Junior High Class. The Rev. Mr. Friesen is director of the school.

Pre-registration of children may be turned in Sunday morning or telephoned in to the church, LA 6-7346, or to Mr. Friesen, LA 5-7312.

Bayview Eagles To Hold Barbecue

The Bayview Eagles and its Auxiliary is planning to hold its annual Western Barbecue and dance at the club rooms, 3223 Carlson Blvd., this Saturday, August 5, starting at 7 p.m. The affair is for members and guests only. Tickets are available from members.

Rotary Program To Poke Fun At 'Vegas Hot Spots'

Art Carson, Albany insurance man and impresario of note, will be the chairman of the day at next Tuesday's Rotary luncheon at Spenger's Restaurant in Berkeley.

Art describes the program, featuring Edward and Betty Keen, as follows: "This program is presented in a light and humorous vein, poking fun at Las Vegas, its propaganda and fabulous entertainment."

At yesterday's luncheon Senator John W. Hertz gave the Rotarians a run down on activities of the California State Legislature during its session just closed.

The program for August 15 will be presented by Tom Gabriele whose hobby is rare gold coins. This is a continuation of a program given some months ago, and which was most interesting and instructive.

MacGregor PTA Chooses Officers For Coming Year

Albany OES No. 550 To Meet August 4

Albany Chapter No. 550, O.E.S., will hold its regular stated meeting Friday evening, August 4, at the Masonic Temple, 333 San Pablo Avenue. Worthy Matron Helen McKenzie and Worthy Patron Ruben McKenzie will preside.

E. L. NELSON RESIGNS AS RECREATION EXECUTIVE

E. L. Nelson, Albany Parks and Recreation Department head, handed in his resignation from the post at Monday evening's regular weekly council meeting.

Following the reading of Nelson's letter of resignation by City Clerk McLean, it was moved by Councilman Boych and seconded by Councilman Hein that the resignation be accepted and final pay to include accrued vacation time. The vote was unanimous.

Resolution No. 61-62, concerning the proposed change of job classification for Charles N. Searies to "Animal Control Officer and Utility Man" was approved, 4 to 1. Councilman Boych stating that he believed the job to be superfluous, and that, in any case, the job should have been given to a "local man."

In other matters the Masonic Avenue Senior Citizens expressed their thanks for a desk recently delivered to their quarters. A letter of appreciation and acknowledgment was ordered sent to the group, and their communication filed.

John Blomberg of the Albany Washette requested removal of an apple tree between his building and the police station because of the litter from falling leaves. After a brief discussion, and a statement from one of the councilmen that the tree was entirely on city property, the matter was referred to the Parks and Recreation Commission.

After some discussion over an invitation from Mayor Claude B. Hutchinson of Berkeley to a dinner conference at the Claremont Hotel on September 14, it was unanimously voted for the mayor and other city officials to attend, but only as "observers."

A public hearing date was set on the appeal from a decision of the Planning and Zoning Commission denying an application by Leonard R. Patterson, 422 Evelyn Avenue, for rear yard and side yard variance. Date of the public hearing is September 11.

When the regular business on the agenda had been completed, Mayor Carlevaro noted that Former Mayor Kathie Zahn was in the audience; then asked if anyone wished to add to the council on any matter "For the Good of the City."

Stanley J. Wilkins spoke at some length in connection of the failure of the Recreation Commission to open the wading pool at Memorial Park. The mayor replied, calling attention to the fact the Lions Club already had volunteered to spend some \$400 in repairing the pool and installing a larger outlet, together with volunteer labor by members of the club.

Mrs. Zahn then addressed the chair, asking how much vacation pay the council planned to pay to the resigning superintendent of Parks and Recreation, Mayor Carlevaro declared this was a personnel matter and not to be discussed in open meeting. However, he declared, she might obtain the figure at any time from the city clerk.

There was a motion to adjourn, and the session ended.

Republican Women To Meet August 7

The Albany Council of Republican Women will hold its regular meeting Monday evening, August 7, in the teachers' lunch room of the Cornell School. There will be a reading of reports on previous events. Hostesses for the evening will be Irene Georgette and Emma Schultz.

Aerostats in Finals Of Alexander Show

Three El Cerrito youngsters, the Aerostats, winners of the June 9 Ben Alexander Opportunity Hour, will compete in the quarter-finals of the show this Friday night.

The three tumblers, students at Jean's Dance Studio, are Katie Kamp, Steve and Paul Mayer. All are former Albany residents and attended schools here.

Cub Scouts Keep Busy Throughout Summer With A Full Program

Cub Scouts of the Mt. Diablo Council, Boy Scouts of America, have moved their program outdoors during the summer months. It was announced by Norris Pope of Martinez, chairman of the council's activities committee.

"During the summer," Pope said, "boys have more time to do the things they like to do. More of our Cub Scout packs than ever before are keeping up the fun of Cub Scouting throughout the summer."

He explained that indoor meetings this time of the year are not so desirable. The summer provides opportunities for packs to conduct informal activities in schoolyards, playgrounds, or a member's back yard. More than half the members of a Cub Scout Pack are home during any one time.

The informal summer activities for Cub Scout dens, packs, and their families are natural, simple projects boys and parents can do together.

"By planning ahead with parents of Cub Scouts," Pope said, "this summer will see worthwhile trips, outings, picnics, and visits to interesting places. Cub Scouts will soon know that getting to know their community is a form of growing up."

There will be new things to think and talk about, Pope commented, when they visit nearby historic spots such as the John Muir home, and Mt. Diablo State Park.

The Cub Scout theme for July involves harbors, stations, and airports. Boys like to visit new places, explore, test, and sample foods. They like to know how these transportation facilities function. A visit to any one of them will keep them busy.

Such trips give Cub Scouts opportunities to learn about the nation's total transportation pattern.

The Cub Scouts will be on the alert for things they can build into a tabletop model in their own backyard. They will observe details of layout and construction so they will know about the flow of traffic and special items such as control towers, buoys, channel lights, docks, warehouses, and terminal facilities.

By watching procedures and facilities necessary to land, service and store planes and handle passengers, the Cub Scouts will use some of the ideas in their den's model layout, using Christmas tree lights and other household items for the runway and airport. Cub Scouts wear their uniforms on these tours.

Swimming instruction for Cub Scouts is high on the list of activities for July.

One favorite pack activity is the Pinewood Derby which has developed into one of Cub Scouting's finest father and son projects. The derby uses miniature racing cars a few inches in length and a few ounces in weight. Cubs and their dads carve these from blocks of wood and decorate them. Several "cars" at a time race, in heats, down a 30 to 40 foot inclined ramp.

Camp Hermis, in El Cerrito, will feature a Council-wide Pinewood Derby on Tuesday, August 22.

In this and other competitive games the Cub Scout learns how to win graciously and how to be a good loser.

Berkeley Medico Gets Internship At Walter Reed

WASHINGTON, D.C. (AHT-NC) — Army 1st Lt. Thomas H. Burton, 25, son of Mr. and Mrs. E. Thomas Burton, 1877 Yosemite Road, Berkeley, recently began a one-year internship at Walter Reed General Hospital, Washington, D.C.

During the year he will serve a rotating internship with three months each in general medicine and general surgery and two months each in pediatrics and obstetrics-gynecology. He will spend the remaining two months in a specialty of his choice. Upon completion of his internship Lieutenant Burton will be promoted to captain in the Medical Corps and be assigned as a resident or staff physician at an Army hospital.

Interns at Walter Reed are chosen annually from a list of outstanding medical college graduates. The hospital is accredited in 21 of the 24 specialties board-approved by the American Medical Association and is highly ranked on the accreditation list of the American Hospital Association.

Lieutenant Burton was graduated from Berkeley High School in 1953, Stanford University in 1957 and from the University of California Medical School at San Francisco this year.

His wife, Mary, lives in Silver Spring, Md.

Highway Patrol Warns Against State Fire Hazard

California Highway Patrolmen will cooperate in the critical battle to prevent forest fires by vigorously enforcing the law which prohibits throwing lighted materials from vehicles, Commissioner Bradford M. Crittenden said.

"Persons who discard cigarettes, matches or other lighted material while they are driving constitute a severe menace to California forests and fields, which have been turned to tinderboxes by the hot, dry weather," he said.

"The Vehicle Code prohibits throwaway flaming or glowing substance from a vehicle or upon any roadway. Patrolmen will be particularly watchful for this violation, especially during these months of highest fire danger."

Commissioner Crittenden also expressed the hope that each motorist, recognizing the inherent danger in violating this section, would "assume the responsibility of voluntarily complying with the law to prevent the occurrence of these destructive fires."

The co-hostesses will be Violet Nigro, Betty Taylor, Mary Dankas and Patricia Redd. President Kay Vogt will preside.

Lafayette First To Adopt All-Nun

Lafayette is the first of the Bay Area to adopt all-nun telephone prefixes. The system was made yesterday and 5,000 customers.

The new system, known as Number Calling, simply tutes numerals for all-nun prefixes. Thus Lafayette is now 283 and 4 is 283.

The method of dialing has changed because Lafayette customers will use the same endings as have been used in letter prefixes.

Lafayette joins a rapidly growing list of cities throughout the nation using the new numbering system. By the end of 1961 8 million people in 3,000 cities will have it.

In Northern California, phone customers in Pasadena, Grass Valley, Nevada City, Yountville and others have had All-Number Calling, and it is known as some months.

In the Bay Area, Lafayette is followed by Los Altos, which will get all-number prefixes August 20. Some Hayward customers will convert on September 30, and later in the some customers in Berkeley, San Jose, and all customers in Bethel Island, Knightswood, Oakley and Byron.

Bell System scientists with ANC when it began several years ago, the current rate of growth in the country would run out of phone numbers unless some method could be devised.

ANC opens up more combinations and provides enough numbers to take care of future growth in the telephone system.

Work Moving Fast on Canada Gas Pipeline

Construction of the \$300 million Alberta-California natural gas pipeline has passed the half-way mark and is ahead of schedule in most sections, Pacific Gas and Electric Company President Norman R. Sutherland said today.

Major segments of the 1,400-mile pipeline in California, Oregon, Washington, Idaho, British Columbia and Alberta have been installed and work is coming along well, Sutherland said.

"We expect that the pipeline will be ready for deliveries to California in November, as planned," the PG&E president said.

More than 4,000 men are at work building the 36-inch-diameter pipeline. The line will carry Canadian natural gas to Northern and Central California consumers.

Pacific Gas and Electric Company is building the California section of the pipeline system, Pacific Gas Transmission Company the Oregon-Washington-Idaho section, Alberta Natural Gas Company the British Columbia section and The Alberta Gas

Trailer Owners Warned to Check Gas Connections

Lowell Nelson, Chief of the Division of Housing, Department of Industrial Relations, today warned the people of California vacationing in trailers and campers to make sure all gas connections and fittings are secure and leak proof before operating the appliance.

A nine-year-old girl and a five-year-old boy died in a fire caused by leaking butane. Two children, 10 and 13 years old, and two adults, have been critically burned during this vacation season.

Nelson emphasized that California rules and regulations covering trailer coaches sold, or offered for sale, in California require that all plumbing, heating, and electrical installations meet rigid standards and tests by an approved testing agency, prior to being approved by the Division of Housing for installation in trailer coaches.

California is the only state in the country having minimum standards covering plumbing, heating, and electrical equipment and installations specifically for trailer coaches.

Nelson said that despite the efforts of the Division to protect the health and safety of trailer occupants, and the public, there are still hazardous areas over which the division has no control, for example, do-it-yourself projects, bootleg installations, and loose connections caused by road shock in travel.

Trunk Line Company Limited the Alberta section.

Sutherland reported this area-by-area construction progress:

California — more than 160 miles of pipe are in the ground south of the Oregon border. A second crew is moving south down the Sacramento Valley from Red Bluff. Work has begun on crossings of the Sacramento River, Sherman Island and the San Joaquin River at Antioch.

Little Bear Day Camp Reservations Open

There are still a limited number of openings left for the final sessions of the popular Little Bear Day Camp, now in its fifth summer in Berkeley. The camp, which runs from 9 to 3, Monday through Friday, features home pick-up and delivery, and a well-rounded program of games, hikes, crafts, stories, weiner

roasts and special trips. The openings are for boys from 6 to 10. For information call Barry Mendelsohn at LA 5-8223 or LA 6-8953.

CHRISTIAN SCIENCE

The spiritual foundation of divine healing will be emphasized at Christian Science services Sunday.
Included in the Lesson-Sermon entitled "Spirit" is the account in Matthew of the healing by Christ Jesus of the man with the withered hand.
One of the citations to be read from "Science and Health with Key to the Scriptures" by Mary

Baker Eddy (p. 51) describes the basis of Jesus' healing mission in these words: "Jesus was unselfish. His spirituality separated him from sensuousness, and caused the selfish materialist to hate him; but it was this spirituality which enabled Jesus to heal the sick, cast out evil, and raise the dead."

The Golden Text is from Zechariah (4): "Not by might, nor by power, but by my spirit, saith

the Lord of hosts."

Christian Science Society of Albany meets at 533 San Pablo Avenue, Sunday morning services are held at 11 a.m. and Wednesday evening meetings are at 8 o'clock. The Sunday School con-

venes every Sunday morning at 11 o'clock. Every one is cordially invited to attend all Sunday morning services and Wednesday evening meetings. All children are invited to come to the Sunday School.

Era Club To Hold Dance At Oakland

Saturday evening, August 5, will be Dance Night for the Era Club, a non-profit organization for single adults ages 25 to 49, sponsored by the YMCA. There will be dancing from 8:30 p.m. to 12 Midnight with refreshments served at intermission time. The event is open to members, their guests, as well as the public.

The first and third Saturday of each month is Dance Night for the Era Club, in the Rose Room of the Oakland YMCA at 2101 Telegraph Avenue.

Inquiry is invited by the Era Club President, Lillian Novak, at KE 4-5720.

Athens Athletic Club Members Vote Down Sale Of Properties

J. Robert Friberg, Secretary of the Athens Athletic Club reports that the result of the Athens Club's poll of the proposition to sell the club properties, as reported by the ballot committee, consisting of Jack Y. Long, chairman; Arnold Olitt; Frank Lewis; J. Sylvan Hersh, and Morris Cohen, was overwhelmingly against the proposal.

The vote against selling the club to outside interests was 2 to 1. The final vote was: In favor of sale, 237; against the sale, 450. The number of Proprietary members voting was 892.

LAW IN ACTION

REDISTRICTING

Every 10 years most states reapportion voting districts to adjust Congressional representation to the census figures. Since 1950 some states have gained, others lost, seats in Congress.

State law makers have a fairly free hand to carve up the voting districts.

The California constitution has only this to say:

Assembly districts must all be in one county. But small counties can be put together to make one district. Each county gets only one state senator. Congressional districts must be made up of (2 or 3) whole assembly districts, not parts.

Citizens and often the party out of power may not like how law makers carve up the state, claiming sometimes that the districts are "gerrymandered" to give one party an unfair advantage.

What can they do about it? Not much, but something. Voters may go to court, or just possibly, they might in some states go over the legislature's head with an initiative measure.

In 1946 three Illinois citizens challenged an election saying

the legislature made their district so much larger than other districts that their votes didn't count for much.

In this case the U. S. Supreme Court said nothing doing: Redistricting is a "political" question in which courts should not interfere.

Since 1946 our courts have looked sharply again at this ruling, and find that when abused, redistricting may impair one's constitutional right to vote. For instance, Alabama "gerrymandered" the state, and the U. S. Supreme Court found that the law was designed to discriminate against Negro voters. It would not therefore permit it.

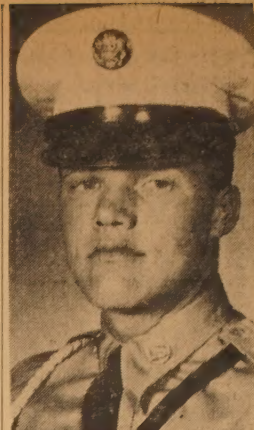

Still the courts so far have not redistricted. At most they invalidate an existing pattern of election districts. The courts hesitate to take a hand in strictly political problems under the doctrine of the separation of government powers among the executive, legislative, and judicial branches.

Berkeley 'Y' Palm Room Soon to Open

The new Palm Room of the Berkeley YMCA will be completed in time for the opening of the Dance Classes and the Goren Bridge Classes in September. Social dancing will be on the program also as well as available space for meetings, luncheons and dinners for clubs and organizations, as time can be arranged.

Jean O'Connor will be in charge of the Latin American Dance Classes and Dean Cook will instruct the Bridge Classes.

Persons interested may phone the Berkeley YMCA, TH 8-6800.

Army Pvt. Keith L. Vanstrom, son of Mr. and Mrs. Vester L. Vanstrom, 818 Oxford Street, Berkeley, recently completed eight weeks of military police training at The Provost Marshal General's School, Fort Gordon, Ga. Vanstrom received instruction in self defense, traffic control and the basic procedures of civil and military law. The 18-year-old soldier entered the Army last February and received basic combat training at Fort Ord, Calif. He is a 1960 graduate of Berkeley High School.

People Will Judge

Fair Flower Show

Six Alameda County residents have been selected as judges of the competing exhibitors at the display of the California State Fair's Hall of Flowers which begins August 30 to run through September 10.

For the twelfth year, Professor H. M. Butterfield, of Berkeley, and formerly with the University of California Agriculture Extension Service, will serve as chairman of the Floriculture Judging Committee.

Assisting Professor Butterfield in awarding the \$58,000 of premiums offered by the '61-derful State Fair to competing commercial and amateur gardeners are: Toichi Domoto of Hayward, Homer Iseya of Oakland, Albert E. Reeves of San Leandro, and J. Fred Seuler Jr., of Oakland.

Serving on the Arrangements Judging Committee will be Mrs. J. H. Henderson of Oakland, and Mrs. H. C. Obata, of Berkeley. The gardeners will present their exhibits of colorful and varied cut flowers, outdoor gardens, bonsai, and shadow box arrangements in the Hall of Flowers and the adjacent grounds.

Air Res. Corporal
Now at Alameda Base
Albany Citizen-Marine Air Re-
serve Corporal Gary Noe, son of
Mr. and Mrs. Peter Noe, 640
Madison Street, checked in
aboard the Alameda Naval Air
Station July 15, for two weeks
of summer maneuvers with Ma-
rine Fighter Squadron 141.
Corporal Noe is attached to
VMF-141 Engineering department
as an aircraft maintenance man,
working on the A4D "Skyhawk",
a low level, single place, jet at-
tack bomber capable of cracking
the sound barrier.
In civilian life, Gary is an IBM
operator for the Wells Fargo
Bank.

IT'S A FACT...ABOUT ERMA
WORLD'S FIRST ELECTRONIC BOOKKEEPER

A MAGNET FOR 200,000 CHECKS
200,000 checks processed in just six hours...that's
the amazing record of ERMA, Bank of America's
new Electronic Recording Method of Accounting.
Here's how ERMA works: the numbers on each
ERMA check are printed with a special magnetic
ink containing microscopic specks of iron. When
a check goes through ERMA's electronic "reader",
each number is magnetized and sends out an elec-
tric impulse which is recorded by a computer. Even
though a check may be folded or crumpled, ERMA
reads it accurately, computes your statement in
moments, without error. That's our ERMA—and she
works only at Bank of America!

ONE BOOKKEEPER FOR ALL OF SACRAMENTO
A single ERMA installation could
take care of all the checks used
daily in, for example, California's
capital — in just under two hours!
Pioneered and developed by Bank
of America, ERMA provides the
fastest, most accurate service for
handling checks in banking history!

SEE YOUR NAME IN PRINT!
As part of its ERMA system, Bank of America now gives all regular
checking customers free personalized checks — your name and
address printed on all your checks at no extra charge. Why not open
your account today?

Oakland's Ed Burton says: "No wonder our water's so pure!"

It's a busman's holiday—when a laundry
supervisor visits a filter plant on his day off.
But Ed Burton wanted his family to see
a miracle that happens right in their own
backyard: water purification.
Thanks to your \$283-million Water
Development Program, the miracle of pure
filtered water is assured to the East Bay
for the rest of the century.

**"Shooting" power lines over canyons
helps keep PG&E service
your best bargain**

18-XW-741

If you see a PG&E lineman with this strange-looking gun, he's stringing power lines—
not hunting. Canyons, dense trees, streams and other obstacles slow up power line
construction. But not with a modern line-throwing gun! It can shoot a light line more
than 400 feet over obstructions—then the power line is attached and hauled through
otherwise impassable sections quickly—and economically. Saving time and construction
costs with efficient methods like this is another example of creative engineering
at Pacific Gas and Electric Company as it builds ahead for a state on-the-grow.

Senior Citizen Activities, 850 Masonic

The recent picnic at Standard Oil Rod and Gun Club was as usual a great success. This has been an annual affair for several years and always is looked forward to by the members.

On Tuesday evening, July 25, the installation of officers for the coming year was held. Bill Nagel acted as presiding officer during the installation ceremonies. Gertrude Garden acted as installing officer and instructed each one as to their duties. She presented each lady with a corsage and each man with a boutonniere.

Those installed were Carolyn Matthew, president; Mary Arns, first vice-president; Emma Claymore, second vice-president; Minnie Ingraham, secretary; Bill Mulligan, treasurer; Connie McCoun, chaplain; Nellie Breault, hostess; Winnifred Mulligan, assistant hostess. Bill Nagel was appointed purchasing agent replacing Julian Kay who had served faithfully for five years in that capacity. Hilda Marshall was named Sunshine chairman and Maria Olivera, coffee chair-

man. William Mulligan, Kathryn Kay and Al Severy or the supervisors.

Carolyn Matthew presented each of the officers who had served with her the past year a gift of appreciation.

After the installation the canned food whist party got under way and sixteen games were played. These whist games have become so popular with the members that one is to be held on the last Tuesday evening of each month.

The next regular meeting of the club will be held on Tuesday evening, August 8, at 7:30.

Care Packages For Israel Now Made Available

Refugees streaming into West Berlin are receiving American aid through the distribution of CARE food packages, welcome kits and special purchase items, Tom Perry, Regional CARE Director announced today.

Welcome kits which contain combs, soap, towels, razors, toothbrushes and other personal items are subscribed for at \$5 each, the CARE spokesman said, while the Food Crusade packages which contain supplementary food are \$1 each and will help feed a family of four for a month.

Films to Tell Story Of Live Oak Center

"The Live Oak Story", a program of slides describing the various activities and development of the Live Oak Recreation Center, by E. A. Fridell will be presented by the Live Oak Sunday Senior Citizens at 2:00 p.m. on Sunday, August 20, at the Live Oak Recreation Center.

Fridell has made a special project of Live Oak and will combine candid shots with his study of Live Oak's history for this special program.

Mrs. Blanche McConnell, hostess chairman, will welcome all persons interested in Live Oak, past and present. Refreshments will be served. This program is sponsored by the Berkeley Recreation and Parks Department.
